NEWS FROM THE FRONT

1 January 2021

Dear fellow Warriors and Friends,

Veterans in Defense of Liberty® wishes' you and yours the happiest of New Years; the old year indeed was not the happiest of years.

In order to ensure 2021 is the beginning of a new era for America, Veterans in defense of Liberty® has linked arms with #1loudvoice and will be "assembling" with a multitude of Conservative groups in Washington D.C. on Americas, "Second Birthday" – the sixth of January, 2021.

President Trump has [sounded the clarion call](#) for Americans to turn out on this most crucial day; As Caesar crossed the Rubicon, we will join with President Trump as he, [as Washington did](#), begins crossing the Delaware. Our Battle cry shall be, "We will not concede!," for we shall never be disgraced as the generation that betrayed its children and lost the nation.

On Wednesday the sixth of January 2021, there will be a most historic "We the People" event on the steps of the U.S. Capitol at 0900 hrs (9:00 am). You do want to be part of this experience! We then move from the Capitol to the SCOTUS building before finishing up by 1600 hrs.

We understand the late notice; however, if you are going to be in the D.C. area, be at the Capitol by 0830 hrs. If you're not in the D.C. area - get there!

We are at war, is not just a hackneyed expression. It is a reality. We

are engaged in a war far more dangerous to America than if armed troops stormed our shores. We are at war with enemies, both foreign and Domestic. The Foreign Enemy is composed of the Chinese Communist Party, both in China and the thousands of spies embedded throughout America, as well as Russia and Iran. The Domestic Enemy is much more diverse, most taking their marching orders and narrative from the CCP. These include but are not limited to; the Delusional ideologically subverted, deep state – which is more profound and more far-reaching than ever suspected, the Treasonous members of the House and the Senate and their staff as well as the worlds of High tech and industry and the main stream media.

The enemy is large and well-entrenched, but as Samuel Adams proclaimed, "It does not take a majority to prevail ... but rather an irate, tireless minority, keen on setting brush-fires of freedom in the minds of men." We can and must be that tireless minority! From 1775 until today, 2 million of our brothers and sisters gave the last full measure of devotion so that freedom would endure to the very end of time. Fifty-six men pledged their lives, fortunes, and Sacred Honor, signing the Declaration of Independence and establishing a new era for humanity. Like Daniel, Moses, and Joshua, they knew that God was in control, but they needed to take action so that God would direct the outcome.

Today is no different than the thousands of years that have gone before us. God is in control, but he still requires us to take action; He will manage the outcome. Donald J. Trump is demonstrating that truism, but he needs the American veterans and their supporters to have his back through action, not words. How many times have you said or heard, "What can we do? When will someone do something? Washington, D.C. is the place the sixth of January is the when. We cannot sit on the couch and complain as America slips into the sordid abyss of socialism. If you have seriously asked that question, then do whatever is necessary to get to D.C. for the first step of peacefully rescuing America and returning America to America.

The first step this truly is, for we will likely spend the rest of our lives holding off the evil of the enemy and returning the American culture and society to the foundation of the "Laws of Nature and of Natures God." Remember, no nation-state has fallen until first its founding foundation be destroyed.

Two million of our Brothers and Sisters -We cannot allow their sacrifice to have been made in vain. The future of all humanity depends on us!

Let us know by "reply" that you will we in D.C. After you arrive in text or email Doc; he will fill you in on more details.

Have a blessed New Year's Day – see you in Washington!
