## NEWS FROM THE FRONT

18 February 2020

Dear fellow Warriors,

### Please pray for Pat

For all who were in D.C. with Champions of Liberty, you probably got to know Pat Matriciana, or at least gave him a video interview. Pat has been a very dear friend and advisory board member of Veterans in Defense of Liberty® for several years.

Yesterday afternoon he suffered a

severe stroke and cerebral hemorrhage. Presently he is in a coma at Mayo, Jacksonville, FL. The prognosis could be grim with brain damage if he survives. We will have lost a valiant warrior.

Please, hold him in prayer! My prayer has been for him to be whole or home; Thy will be done. However, we are most fervently praying for and expecting a miracle. Also, pray strength and comfort for his wife, Marilyn, son Josh – whom you also meet in D.C., and the family.

Yours in Christ
