NEWS FROM THE FRONT

20 February 2020

Dear fellow Warriors,

We have just completed a [Promo for Champions of Liberty™](#) from the week in D.C. Please take a look at it and provide us some feedback on your thoughts at CO@ViDoLAmerica.org – thanks.

Also, if you would check out [zom video communications](#) and subscribe to the free package. We anticipate soon to begin using it for conf. calls to educate, assist the mission, answer any questions, et al. It can also be used for interviews with media or those of interest to ViDoL and COL. It can be turned into a vital tool in our quiver.

If you have not yet “liked” veterans in Defense of Liberty’s Facebook page, please do so. It is located at [Veterans in Defense of Liberty](#). Facebook has been unrelenting on keeping us below what appears to be a ceiling of 14,700 likes. We will go up to five today, and down six tomorrow, this has gone on for a couple of years. If you would invite all your friends to like it as well. Let us try to break 15,000

kudos to:

Jim (COL) and Tim (ViDoL) Fontana spent three days last weekend at the National Gun Show in Chantilly, VA introducing attendees to Veterans in Defense of Liberty®. No doubt Battalion formation is will soon be established in Virginia. Tim was also in attendance at the successful rally, which was held at the state capitol in support of the Second Amendment. I am sure you heard that the Senate rejected all of the anti-gun bills. There is little doubt this rally impacted the four D’s who crossed over from the Dark to the Light side of this vote. These Dem’s realized that this issue alone will return the House and Senate to the Right in the waging Civil War being fought on the invisible battlefield of ideas. – **thanks Jim and Tim!**

Jim Richardson, Jack Hosterman, Charlie Anderson and Lawrence Allen for establishing ViDoL Battalion 553rd in the Dallas-Ft Worth area.

BATTALION formation is also underway in, San Diego (after 4/15), WY, and soon in FL.
