NEWS FROM THE FRONT

1 January 2022

Fellow Warriors and Friends,

ViDoL 2022 New Year Billboard

2022 has the potential to be one of the most pivotal years in world history. As such, it is imperative that our New Year Resolutions include at least one to secure the Blessings of Liberty for our posterity. It is time to put self behind duty.

Suggested:

"I shall persistently call upon the name of the Lord to strengthen and direct me to do all things necessary in order to return and maintain our Republic's integrity to the correct moral and Constitutional values. As Thomas Jefferson directed, I shall, 'Love your neighbor as yourself, and your country more than yourself.'"

I pray that God grants you the continued courage to continue spreading the light surrounding you. We know one thing for certain - the light will ever prevail against the darkness.

Happy and Blessed New Year to each of you!
