## NEWS FROM THE FRONT

20 June 2020

Dear fellow Warriors,

Veterans in Defense of Liberty is pleased to announce the birth of a new National Project, "Veterans Back the Blue Rallies." (see flyer below) Today in America, when everything Americans see or read seems to be intent on fomenting fear and anxiety, Veterans Back the Blue is a collective

breath of fresh air.

After months of lockdown followed by riots and revolution, Americans can be Americans again. It is refreshing to join together positively, sharing love, support, and prayer for those who have accepted the daunting challenge of standing the Blue Line. It is this Thin Blue Line that separates "We the people" from the violence of anarchy. It is this Thin Line that is presently preserving the blessings of Liberty with courage, honor, and devotion to duty.

Veterans Back the Blue Rallies will launch in Springfield, Missouri, as noted below, on June 28<sup>th</sup>. Similar Rallies are being planned for Cheyenne WY, San Diego, Dallas, and Ohio.

[CHAMPIONS OF LIBERTY challenge](#): all need to seriously consider orchestrating a Veterans Back the Blue Rally in your area. Contact Dr. Magill for planning information. That Battalion with the largest Rally will be awarded a similar Award to that seen below.

ViDoL is presently designing a Challenge Coin from Veterans Back the Blue for veterans to present to law enforcement officers reiterating, "We have your back." ViDoL is also considering the initiating of a weekly Zoom-cast, with Leo's across the nation, as a continuation of Back the Blue.

All ViDoL members are encouraged to do the same if a Rally is not planned in your area. Of course, if one is being established, get involved.

In addition to 1000-2000 anticipated participants, it is believed that

100-300 motorcycles will be involved. Riders from: Liberty Riders (ViDoL's Cav Division), Blue Knights (LEO riders), Red Knights (Firemen riders) Wild Pigs (LEO Riders), American Legion Riders, VFW riders, will add a lot to the event. Coincidentally, they will also provide a great visual deterrent.

America's Police need our support today when the left is doing all they can to demean and destroy America's Finest!

**It is time for "We the people" to remember that Freedom is not a spectator sport.**

*Remember the words of Daniel Webster, "We live under the only government that ever existed which was framed by the unrestrained and deliberate consultations of the people.*

*... Such a government, once gone, might leave a void, to be filled, for ages, with revolution and tumult, riot, and despotism."*
