

# Veterans in Defense of Liberty

## NEWS FROM THE FRONT

31 October 2020

Dear Champions of Liberty™ members,

Please take a couple of actions for ViDoL.

First - if all veterans members would please go to and join, Together we Served. TWS is a very staunch supporter and advocate for Veterans in Defense of Liberty®. They are doing a lot to increase our membership, and they have even offered us a free forum room just for ViDoL.

Once you are a member, become familiar with the Combined Services Political forum. We post on this site and are violently attacked by the veterans on the Left, with a few conservatives providing covering fire. It is time to ambush the Left and fill the site with the truth. I would like to see COL frequently posting to the site and then defending each other.

Once you're there go to Docs post entitled, " A Glimpse Into Joe Biden's America" and give um \_ \_ \_ \_ heck.

Please advise at [CO@ViDoLAmerica.org](mailto:CO@ViDoLAmerica.org) once you are on board.

Secondly - We are undergoing a massive upgrade to our website. I would like each veteran and Associate member to review website designs and submit what you feel is the best style design for our new site. The function must take priority; however, style is a crucial component.

Likewise, submit your preferred design to [CO@ViDoLAmerica.org](mailto:CO@ViDoLAmerica.org).

The future of America, the future of humanity is in our hands. Will we be the generation known for throwing away all the many blessings we inherited?
